### Petition for Trade Adjustment Assistance (TAA)

#### Section 3. Trade Effects on Separations

1. To the best of your knowledge, provide reasons why you believe that separations that have occurred or may be threatened at the workers' firm are due to foreign trade. (Example: Production has been/is being shifted to a foreign country, services are being outsourced to a foreign country, increased imports of articles or services, loss of business with a TAA-certified firm.)

We were an onsite distributor of Electronic Components for Arrow Electronics for over 40yrs. Our contract for services was terminated when Nypro moved its manufacturing to its Jabil facility in Penang, Malaysia.

2. If you possess any additional information or documents that you believe may assist in the determination of whether the worker group is eligible for TAA benefits, submit it as an attachment to the Petition Form. Check the box below if you have attached any additional information or supporting documents.

I have attached additional information or supporting documents.

3. Provide contact information for two company officials, one of whom should be a dislocated worker's supervisor. Either separately or together, (these officials should be familiar with all of the following: employment, job functions, and sales or production at each job location).
